STRATEGIC RECOMMENDATIONS

Protect Profitability Categories.

Continue investing in Technology and other high-margin products that drive strong profit.

Review Furniture Category

Investing pricing, discounting and cost structure in furniture to improve margins.

Address Loss-Making Products

Review Tables, Bookcases and Supplies, Optimize pricing, costs and product mix.

Strengthen Weaker Regions

Analyse weaker regions and implement strategies used in top performing regions like West.

Target Valuable Customers

Focus on customer profitability to drive retention and increase lifetime value.
